

### Objective and investment policy

IS Private Fund E is a division in IS Private funds that invests in mutual funds, investment funds and institutional funds. The fund can also invest in individual securities. Investments through funds and directly should be in government guaranteed bonds such as government bonds, government bills and bonds issues by the Housing Financing fund. The fund can also invest directly or through funds in equity, municipality bonds, other bonds and bills plus deposits.

IS Private Fund E is a division in IS Private funds. IS Private Funds are investment funds (Non-Ucits) according to section no. 3 of the Act no. 128/2011. Marketing of the funds are therefore only allowed in Iceland.

**Risk and disclaimer**

---

Various financial risks are always related to investment activities, such as the risk of no yield or the risk of losing the capital invested. It should further be noted that international investing includes risks related to political and economic uncertainties as well as currency risk. **Past performance does not indicate nor guarantee future performance of an investment.** Investing in financial securities always involves risk. The price and return of the fund reflects market fluctuations. The investors should bear in mind that the fund invests in domestic bonds. Furthermore, a fund of funds like the IS Private Fund E is bound by law to diversify their investments between at least five different funds. Past performance does not indicate nor guarantee future performance of an investment.

Each investor's investment objectives and financial situation is different. Before making an investment decision, it is important to seek expert advice and familiarise oneself with the investment market and different investment alternatives. Investors are encouraged to familiarise themselves with the IS Private Fund E prospectus, especially regarding risk, available on [www.isfunds.is](http://www.isfunds.is)
